Certified results with detailed information by race and precinct for multiple Davidson County elections over time.

Category: Elections

Keywords: election, vote, voting, poll, primary, mayor, presidential, congress, referendum, amendment, state, federal, returns, race, candidate, precinct

Data Provided By: Davidson County Election Commission

Source: Election Commission Voting Application

Time Period: August 2019 to present

Update Frequency: As needed

Additional Information

How is this data collected? The data is exported from the Election Commission Voting Application database. The data is considered very reliable and is verified by the data owners.

What does each record represent? The results within a given voting precinct for a single contest in a given election

What are the limitations of the data? Data is not updated for each election until results are certified by the Election Commission.

Additional comments: This dataset contains data on multiple elections over time. Users can take advantage of filtering and sorting tools to narrow down visible records to their desired election(s).
